

Invitation to Tender (ITT): Supply, delivery and installation of 3 IT hubs

The British Council is the UK's international organisation for educational opportunities and cultural relations. Our purpose is to build mutually beneficial relationships between people in the UK and other countries through our work in three main sectors: Education and Society, English and Arts.

This is an invitation to tender for the supply, delivery and installation of three (3) IT hubs in selected British Council Connecting Classrooms partner schools. The IT hubs should be built using hardware and software to create virtual desktops (sometimes called zero clients) which will enable up to 20 multiple users to simultaneously share a single operating system. The British Council uses N Computing devices and Dell equipment.

The geographical location and spread of the services

The IT Hubs will be installed at already identified institutions in Kasama, Mansa and Choma.

For information on how to apply, please visit our website on www.britishcouncil.org.zm

Email enquiries can be sent to info@britishcouncil.org.zm

Deadline for submission of applications is 22 July 2014 at 17hrs.

The British Council is committed to equal opportunity and diversity and welcomes applicants from all section of the community. We encourage disabled candidates who meet the essential criteria to apply.

The British Council believes that all children have potential and that every child matters - everywhere in the world. The British Council affirms the position that all children have the right to be protected from all forms of abuse as set out in article 19, UNCRC, 1989.
